- Guest Speaker: Terry Stigall, Divemaster
 - **Fish Identification Basics** - We have all come up from a dive and said "What was that thing with the? Fill in the blank. Terry, as an avid underwater photographer, got tired of always wondering so he began researching. He may not always immediately have a name for his latest photographed image, but he has learned how to research and find the name of his latest underwater model. Terry will share the basics of fish identification. This will hopefully give you the starting point for recognizing what you are seeing and make your dives that much more exciting and enjoyable.
